# Naturals Salons & Spa launches 'School of Makeup'

Chennai, Aug 13: Naturals, India's #1 beauty salon announced the launch of Naturals school of Makeup, an academy to train aspiring candidates to become professional makeup artists or entrepreneurs in the beauty industry. Former Minister, MA FOI K. Pandiarajan inaugurated the Academy.

CK Kumaravel, CEO and co-founder of Naturals Salon & Spa said "The pandemic has really thrown us out of gear. One of the most affected businesses is the salon industry & having said that, the training business has become a huge opportunity because a lot of people who have lost their jobs or took pay cuts are now looking for part-time jobs and gig opportunities. There are people who are looking for a full-fledged academy or a training centre which gives them a specialisation in makeup. That is when we started looking at this

more seriously. Even now, we recruit people, give them accommodation, food, training and then place them at our salons. But when it comes to makeup, the scenario is entirely different. People are ready to pay and learn because the scope for earning is very high and it is also very fashionable and contemporary." Courses offered by

Naturals: Naturals School of Makeup will offer short term to long-term certificate courses in the duration of 3 days to 3 months. The courses offered include personal grooming, bridal makeup, party makeup, new HD makeup among others. The 3-month long course is priced at ₹1.5 lakh. Post completing the course, the trainees can

become part of Naturals or Page 3 chain of salons, take makeup as a part-time business, open their own branded makeup studios or become freelance makeup artists in gig marketplace like Urban Company. Naturals School of Makeup is planning to enroll 200 people this year and eyes to open 20 makeup schools across south India.

# PMI South Asia collaborates with CII to create a future-ready workforce of changemakers

Chennai, Aug 13: Project Management Institute (PMI) South Asia today announced its collaboration with the Confederation of Indian Industry (CII). The alliance aims to empower employees of CII member organizations with skilling opportunities to enhance productivity and business agility through digitization and project management effectiveness. Through this collaboration, PMI will create a range of offerings for CII

member organizations. These include customized PMI content to raise the competitiveness of the manufacturing and allied core industries with knowledge sessions, self-paced learning courses and certifications to address the emerging needs of making them globally competitive. PMI will also offer guidance and support to build and acquire the relevant skills, knowledge and capabilities that can be useful to the individuals

in their professional journey. Commenting on the partnership, Dr. Srinivasa Srinivasan, Managing Director, PMI South Asia said, "Fast and flexible is the name of the game for teams in The Project Economy. And that takes agile, change-ready teams, led with a deep commitment to collaboration, empathy and innovation. Through this collaboration with CII, we aim to empower project professionals and changemakers with new skills, capabilities and knowledge to help them deliver greater value to their organizations."

As organizations adapt to a new work ecosystem, they come across challenges related to enhancing productivity of their employees, digital transformation and business agility of their organization. As a result, there is a need for more and more professionals to have holistic and future-proof 'changemaker' skills to address these challenges.

# Kilpauk Medical College upgrades critical care infra

Chennai: Aug 13: Kilpauk Medical College in Chennai has upgraded 50 normal beds into step-down ICUs to facilitate critical care for 1800+ patients over the next 3 months. This renowned medical centre is one of the first hospitals to receive this as a part of the MillionICU, an initiative that addresses the massive shortage of ICU beds and staff in public hospitals.

Dozee's contactless sensors featuring an AI-powered triaging system that enables continuous (more than 100 times per hour) and accurate monitoring of a patient's heart rate, respiratory rate, and other clinical parameters like sleep apnea and myocardial performance metrics without coming in contact with the patient. Dozee

has also set up a 24x7 Central Monitoring Cell at the hospital which enables healthcare staff to monitor multiple patients remotely who were previously monitored manually only every couple of hours. Launched with the goal of enabling public

hospitals to tide over the current COVID-19 crisis in the short-term and bring about a rapid, long-term transformation in India's public healthcare infrastructure, the MillionICU initiative will help upgrade critical care infrastructure in

government hospitals across Tamil Nadu. The upgradation of facilities at Kilpauk Medical College was completed by leveraging the funds donated to the initiative by The State Bank of India Foundation.

# Tata Tea Premium to support local art, artisans this I-Day

Chennai, Aug 13: As an earnest gesture to lend support to the Indian Artisan community, TATA Tea Premium celebrates this Independence Day by bringing out a unique #DeshKaKulhad collection in partnership with Rare Planet - a startup that promotes the work of

local Indian artisans. The proceeds of the sale of these exquisite hand painted Kulhads will help to lend support to the artisan community that has been severely impacted by the current times. These special Kulhads have been hand crafted

with region specific artforms like Madhubani folkart from Bihar, Warli artform from Maharashtra, Phulkari patterns from Punjab, Patachitra from Odisha, Sanjhi Art from UP, etc. Puneet Das, President - Packaged Beverages (India and South Asia),

Tata Consumer Products states, "These Kulhads celebrates and showcase the talent of these Kulhad artists and give a unique chance for all of us to own such a vibrant and colourful art collection, while supporting the locals artisans."
