**EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1)
OF THE COMPANIES ACT, 2013 AND RULE 22 OF THE COMPANIES
(MANAGEMENT AND ADMINISTRATION) RULES, 2014:**

ITEM NO. 4

Mr. Ashok Raju Shetty (DIN 02236271) was appointed as Independent Director on the Board of the Company pursuant to the provisions of Section 149 of the Act read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and the erstwhile Clause 49 of the Listing Agreement with the stock exchanges. His tenure of appointment as Independent Director of the Company expired on 27th September, 2020 ("first term" in line with the explanation to Sections 149(10) and 149(11) of the Act). The Nomination and Remuneration Committee of the Board of Directors, on the basis of the report of performance evaluation of Independent Director, has recommended reappointment of as Independent Director for a second term of 4 (four) consecutive years on the Board of the Company. The Board, based on the performance evaluation of Independent Directors and as per the recommendation of the Nomination and Remuneration Committee, considers that, given his background and his experience and contributions made by him during his tenure, the continued association of him would be beneficial to the Company and it is desirable to continue to avail his services as Independent Director, not liable to retire by rotation and to hold office for a second term of 4 (four) consecutive years on the Board of the Company. Section 149 of the Act and provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") inter alia prescribe that an independent director of a Company shall meet the criteria of independence as provided in Section 149(6) of the Act. In the opinion of the Board, he fulfils the conditions specified in this Act for such an appointment. Hence, Board recommends the passing of above resolution by way of special

resolution at the ensuing Annual General Meeting of the Company.

None of the Directors of the Company except Mr. Ashok Raju Shetty are interested in the proposed resolution.

ITEM NO.5

Based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors of the Company appointed, pursuant to the provisions of Section 161(1) of the Companies Act, 2013 ("the Act"), and the Articles of Association of the Company, Ms. Vidhisa Shetty (DIN: 08967328) as an Additional Director, to hold office as an Independent Woman Director of the Company for a term of 5 (five) consecutive years with effect from 23rd November, 2020. In accordance with the provisions of Section 149 read with Schedule IV to the Act, appointment of Independent Directors requires approval of the members by way of ordinary resolution. Ms. Vidhisa Shetty is not disqualified from being appointed as a director in terms of Section 164 of the Act and has given her consent to act as a director of the Company. Section 149 of the Act and provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") inter alia prescribe that an independent director of a Company shall meet the criteria of independence as provided in Section 149(6) of the Act. In the opinion of the Board, she fulfils the conditions specified in this Act for such an appointment. Hence, Board recommends the passing of above resolution by way of ordinary resolution at the ensuing Annual General Meeting of the Company.

None of the Directors of the Company except Ms. Vidhisa Shetty are interested in the proposed resolution.

There is no change in the nature of the business of the Company during the financial year under review.

7. Material changes between the period from end of Financial Year to the date of Report of the Board:

An inspection was carried out by the State Excise Authorities on 10th June, 2020 and a Show Cause Notice was issued regarding alleged irregularities in affixture of Holograms in IMFL bottles and furtherance to our replies, the Excise Department has issued Order for cancellation of the Manufactory Licence issued to manufacture IMFL at the factory premises at R.S. No. 89/4-A, Katterikuppam Village, Mannadipet Commune, Puducherry vide Order No. 004/ECE/E1/2020 dated 04.11.2020.

The alleged reasons for cancellation of manufactory licence on the grounds of irregularities in affixture of holograms are unlawful. The Company is taking all immediate steps with Authorities to revoke the cancellation order.

8. Significant and material orders passed by the regulators or courts or tribunals impacting the going concern status and Company's operation in future:

The cancellation of the Manufactory Licence issued to manufacture IMFL at the factory premises as stated above may impact on going concern status. However, the alleged reasons for cancellation of manufactory licence on the grounds of irregularities in affixture of holograms are unlawful. The Company is taking all immediate steps with Authorities to revoke the cancellation order.

9. Dividend:

Considering the financial situation, Your Directors did not recommended any dividend on the equity shares for the financial year 2019-20.

10. Public Deposits

During the year, the Company has not accepted or renewed any deposits from the public as covered under section 73 of the Companies Act, 2013 read with the Companies (Acceptance of Deposits) Rules, 2014 and there are no deposits which are pending for repayment as on 31.03.2020.

11. Subsidiaries, Joint Venture and Associate Companies:

The Company has no subsidiaries, joint venture and associate companies during the year.

12. Directors:

REPORT ON MANAGEMENT DISCUSSION AND ANALYSIS

The company is engaged in the business of manufacturing and trade of Indian Made Foreign Liquor (IMFL) under own brand portfolio as well as under tie up arrangements with other companies. The IMFL comprises of Whisky, Brandy, Rum, Gin & Vodka. We started our initial capacity of 7,20,000 cases per annum. Presently our plant is having an installed capacity of 14,25,000 cases per annum.

During the year, the total Income from operations was Rs. 8069.59 lakhs compared to Rs.8359.23 lakhs in the previous year recording a profit of Rs. 51.01 lakhs, as against the net profit of Rs. 373.21 lacs in the previous year.

Material changes between the periods from end of Financial Year to the date of Report:

An inspection was carried out by the State Excise Authorities on 10/06/2020 and a Show Cause Notice was issued regarding alleged irregularities in affixture of Holograms in IMFL bottles and furtherance to our replies, the Excise Department has issued Order for cancellation of the Manufactory Licence issued to manufacture IMFL at the factory premises at R.S. No. 89/4-A, Katterikuppam Village, Mannadipet Commune, Puducherry vide Order No. 004/ECE/E1/2020 dated 04.11.2020.

The alleged reasons for cancellation of manufactory licence on the grounds of irregularities in affixture of holograms are unlawful. The Company is taking all immediate steps with Authorities to revoke the cancellation order.

Significant and material orders passed by the regulators or courts or tribunals impacting the going concern status and company's operation in future:

The cancellation of the Manufactory Licence issued to manufacture IMFL at the factory premises s stated above may impact on going concern status. However, the alleged reasons for cancellation of manufactory licence on the grounds of irregularities in affixture of holograms are unlawful. The Company is taking all immediate steps with Authorities to revoke the cancellation order.

Business Outlook:

Indian alcohol market has been flourishing since 2001 and registered growth between 7-12% till 2011 when the growth declined due to heavy import taxes, state government taxes, excise duty and political instability in election season. The year 2013 was a great fall in Indian alcohol market when the spirits volume actually declined by 2-3% in India. Alcohol industry is a part of huge US\$ 12 billion beverage industry of India excluding milk and milk products.

Indian alcohol market is dominated by whisky which falls under spirit category. However, the wine market is expected to show highest growth in the future. The Indian alcohol market is broadly segmented as spirits, beer and wine. Spirits are further sub-segmented into whisky, rum, brandy, vodka, gin and others.

Consumers are largely inclined towards quality alcohol due to increasing disposable income and better standard of living. Other drivers include greater inclination towards social drinking as well as women indulging into alcohol consumption. As India has huge youth population, the demand of alcohol would remain high in the coming years. The market saw a boom in Vodka sales. Youth largely prefer beer and the salaried youth are inclined toward whisky and rum.

There exist quite a few restraints in the market such as high taxes, stringent government regulations on manufacturing and selling liquor, and ban on advertisements among others. Alcohol consumption is also subjected to the overall economy's growth in terms of gross net income per capita and household expenditure. Thus, development in the economy would give a thrust to the alcohol market further but less pronounced.

One of the most notable trends is the demand of premium liquor among the consumers. The growth of premium segment would surpass the overall growth of alcohol market due to greater exposure towards foreign brands. India has seen a burst of high net worth individuals in past two decades and the list is ever increasing, which would fuel the growth of market in premium segment.

Risk Factors:

Government regulations affect the Indian Liquor industry introducing structural rigidities. Apart from the high level taxes and levies regulations pertaining to licensing creation or expanding of brewing / distillery and bottling capacities, manufacturing process (grain based and molasses based), distribution and advertising impinge on the industry. Further liquor being a state subject, every state has different regulations (including those on distribution) and tax rate for the industry apart from restrictions as well as levies on the inter- state movement of liquor.

Future Outlook:

During current year, your Company will try to improve the performance with applying optimistic efforts.

Internal Control Systems and their adequacy:

The Managing Director / Whole Time Director certification provided in the report discusses the adequacy of our internal control systems and procedures

Human Resource Development

The most important asset of the company is its Human Resources.

Cautionary Statements:

Statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectation may be forward looking statements within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied.

13. Share Transfer System:

The shares sent for transfer in physical form are transferred expeditiously, provided the documents are complete and valid in all respects and the shares under transfer are not under any dispute. The share certificates duly endorsed are returned immediately to shareholders. Confirmation in respect of requests for dematerialization of shares is sent to respective depositories i.e. NSDL and CDSL expeditiously. In compliance with the Listing Regulations, a Practicing Company Secretary carries out audit of the System of Transfer and a certificate to that effect is issued.

However, as per SEBI Notification No. SEBI/LAD-NRO/GN/2018/24 dated June 8, 2018 and further amendment vide Notification No. SEBI/LAD-NRO/GN/2018/49 dated November 30, 2018, requests for effecting transfer of securities (except in case of transmission or transposition of securities) shall not be processed from April 1, 2019 unless the securities are held in the dematerialised form with the depositories. Therefore, Shareholders are requested to take action to dematerialize the equity Shares of the Company, promptly.

Nomination

Individual shareholders holding shares singly or jointly in physical form can nominate a person in whose name the shares shall be transferable in case of death of the registered shareholder(s). Nomination facility in respect of shares held in electronic form is also available with the Depository Participants as per the bye-laws and business rules applicable to NSDL and CDSL. Nomination forms can be obtained from the Company's Registrar and Share transfer Agent.

Further, 'Securities and Exchange Board of India' (SEBI) vide its Order dated 12-03-2019 directed the above parties to repay the amounts back to Company. We are unable to comment on reliability/ recoverability of these debts and advances given and no provision for Expected Credit Loss as per Indian Accounting Standards (IND AS) for doubtful recovery of such advances is considered necessary by the company.*
- 3.2 *Your attention is invited to Note No. 3 Regarding 'Investment in Liquor India Limited' and 'Advance received from 'Lemonade Shares & Securities Private Limited' (Refer Note No. 17) which is considered as disputed and no adjustment for sale thereof have been incorporated in the financial statements by the Company. The sale agreement entered into with 'Lemonade Shares & Securities Private Limited' for sale of entire undertaking has been challenged and civil suit has been filed before IInd Additional District Judge, Ranga Reddy District, L B Nagar, Hyderabad, with prayers inter-alia to rescind the agreement as being void and restore the parties back to the position prior to MOU Dated 05-09-2012. The Company has also filed SLP in Supreme Court of India apart from registering various complaints with Police, SEBI, Enforcement Directorate. Management does not anticipate any liability on this account and accordingly the company has not provided for diminution in value of Investments and not made provision for Expected Credit Loss in respect of Loan to 'Liquor India Limited' during the Financial Year 2019-20. As the matter is sub-judice we are unable to comment whether any adjustments are needed for the recoverability of investments thereof. Accordingly, impact on loss for the year and investments thereof if any, is unascertainable.*
- 3.3 *Your attention is invited to Note No. 7 - In the absence of relevant information regarding fair value of investments in respect of investment in shares of 'S.V. Distilleries Private Limited' of Rs. 247.79 Lacs as on 31st March 2020; we are unable to comment on whether any provision for diminution in value of investments thereof is necessary.*
- 3.4 *Note No. 8 regarding Confirmations not obtained as of March 31, 2020 in respect of certain financial assets such as Sundry Debtors, Sundry Creditors, Tie Up Parties etc. and allowance for expected credit not recognized on these financial assets even though indications of increase in credit risks were observed. Consequential impact on financial results is not ascertained by the Company.*

Information other than the Financial Statements and Auditor's Report thereon

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon.

Our Opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusions thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and those charged with Governance for the Standalone Financial Statements

5. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act")

with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity)[iv] and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
7. The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation. Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
12. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

13. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure-1 a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
14. Further to our comments in Annexure-1, as required by Section 143(3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) We have also audited the Internal Financial Controls over Financial Reporting (IFCoFR) of the Company as on 31st March 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date and our report as per Annexure-2 expressed an unmodified opinion.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company, as detailed in Note 37 to the financial statements, has disclosed the impact of pending litigations on its financial position as at 31st March 2020.
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There were no amounts which were required to be transferred to the 'Investor Education and Protection Fund' by the Company.

“Annexure-2” to the Independent Auditors’ Report of even date to the members of ‘RAVI KUMAR DISTILLERIES LIMITED’ on the financial statements for the year ended March 31, 2020.

Referred to in paragraph 14(f) of the Independent Auditors’ Report of even date to the members of Ravi Kumar Distilleries Limited on the financial statements for the year ended **March 31, 2020 Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act**

1. We have audited the internal financial controls over financial reporting of Ravi Kumar Distilleries Limited (“the Company”) as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

2. Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

3. Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

6. Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

7. Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

8. Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the Internal Control over Financial Reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

I. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and loans and advances.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer and the geography in which it operates. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The maximum exposure to credit risk for trade and other receivables by type of counterparty was as follows :

(INR in lakhs)

	Carrying amount		
	Notes	March 31, 2020	March 31, 2019

Other financial assets	12	4,342.15	4,314.23
		7,523.92	7,379.61

a) Trade receivables

The company individually monitors the sanctioned credit limits as against the outstanding balances.

The Company establishes an allowance for impairment that represents its estimate of expected losses in respect of trade receivables. The Company uses a provision matrix to compute the expected credit loss for trade receivables. The Company has developed this matrix based on historical data as well as forward looking information pertaining to assessment of credit risk.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on exchange losses historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in note 7. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdiction and Industries and operate largely in Independent markets.

b) Concentration of credit risk

Company has a geographic concentration of trade receivables which is given below :

(INR in lakhs)

Notes forming part of the Financial Statements

Note 1: Significant Accounting Policies

General Information

The Company is incorporated during the year 1993 and is engaged in the business of manufacture and sale of Indian Manufactured Foreign Liquor (IMFL). The Company has its manufacturing unit at Pondicherry.

Significant Accounting Policies

1. Compliance with Ind AS

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

These financial statements include the balance sheet, the statement of profit and loss, the statement of changes in equity and the statement of cash flows and notes, comprising a summary of significant accounting policies and other explanatory information—and comparative information in respect of the preceding period.

2. Basis of Accounting

The Company maintains its accounts on accrual basis following the historical cost convention except certain financial instruments that are measured at fair values in accordance with Ind AS.

Fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level I inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that entity can access at measurement date
- Level II inputs are inputs, other than quoted prices included in Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level III inputs are unobservable inputs for the asset or liability

3. Presentation of financial statements

The financial statements (except Statement of Cash-flow) are prepared and presented in the format prescribed in Division II – IND AS Schedule III (“Schedule III”) to the Companies Act, 2013.

The Statement of Cash Flow has been prepared and presented as per the requirements of Ind AS 7 “Statement of Cash flows”.

Disclosure requirements with respect to items in the financial statements, as prescribed in Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards.

Amounts in the financial statements are presented in Indian Rupees in Lakhs in line with the requirements of Schedule III. Per share data are presented in Indian Rupees to two decimals places.

4. Key estimates and assumptions

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions that impact the reported amount of assets, liabilities, income, expenses and disclosure of contingent liabilities as at the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as on the date of the financial statements. Actual results may differ from the estimates and assumptions used in preparing the accompanying financial statements. Difference between the actual and estimates are recognised in the period in which they actually materialise or are known. Any revision to accounting estimates is recognised prospectively. Management believes that the estimates used in preparation of Financial Statements are prudent and reasonable.

5. Foreign Currency

Functional and presentation currency

The financial statements of the Company are presented using Indian Rupee (INR) i.e. currency of the primary economic environment in which the entity operates ('the functional currency').

Transactions and balances

Foreign currency transactions are translated into the respective functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss.

Notes forming part of the Financial Statements

Premium/Discount in respect of forward contracts is accounted over the period of contract

6. Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. Escalation and other claims, which are not ascertainable/acknowledged by customers, are not taken into account. Revenue is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Criteria for recognition of revenue are as under:

a) Sale of Goods

Revenue from the sale of goods is recognised when the goods are delivered and titles have passed, at which time all the following conditions are satisfied:

- i. significant risks and rewards of ownership of the goods are transferred to the buyer;
- ii. Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- iii. it is probable that economic benefits associated with transaction will flow to the Company; and
- iv. amount of revenue can be measured reliably;

b) In cases where trade contracts provide for crystallization of price or for price adjustment on a subsequent date, corresponding purchase and sales are recognized on the basis of expected settlement price and any differential determined subsequently is accounted for at the time of final settlement.

c) Interest income is recognized on a time proportion basis taking into account amount outstanding and applicable interest rate..

7. Property, Plant and Equipment (PPE)

PPE is recognized when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Freehold land is carried at historical cost. All other items of PPE are stated at cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment. Cost includes expenditure that is directly attributable to the acquisition and installation of such assets

PPE not ready for the intended use on the date of the Balance Sheet is disclosed as "capital work-in-progress".

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the WDV method to allocate their cost, net of their residual values, over their estimated useful lives specified in schedule II to the Companies Act, 2013.

8. Intangible assets

Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the asset can be measured reliably. Intangible assets acquired by the Company are measured at cost less accumulated amortisation and any accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition and installation of such assets .

Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values using the straight-line method over their estimated useful lives.

The intangible assets are amortised over the estimated useful lives as given below:

Type of Asset	Life
Trade Mark and Brand	5 years

9. Impairment of Non Financial Assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

10. Inventories

Inventory is valued at cost or net realizable value whichever is lower. Cost includes all non refundable taxes and expenses incurred to bring the inventory to the present location. Cost is determined using the Weighted Average method of valuation for Raw Material, Work in Progress and Finished Goods. Traded Goods are valued at actual cost.

Notes forming part of the Financial Statements

11. Borrowing costs

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Other borrowing costs are expensed in the period in which they are incurred.

12. Provisions & Contingencies

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events for which it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated as at the balance sheet date.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but will probably not, require an outflow of resources. Information on contingent liabilities is disclosed in the notes to financial statements unless the possibility of an outflow of resources embodying economic benefit is remote.

A contingent asset is not recognised but disclosed in the financial statements where an inflow of economic benefit is probable.

13. Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership over the lease term are classified as operating lease. Lease payments for assets taken on operating lease are recognised as an expense in the Profit and Loss Account on a straight-line basis over the lease term.

14. Income tax

Income tax expense for the period is the tax payable on the current period's taxable income based on the applicable income tax rate and changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. The current income tax charge is calculated in accordance with the provisions of the Income Tax Act 1961.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted at the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for all deductible temporary differences and brought forward losses only if it is probable that future taxable profit will be available to realise the temporary differences.

Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

15. Employee benefits

a) Short-term obligations

All employee benefits falling due wholly within twelve months of rendering the service are classified as short term employee benefits. These are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

b) Post-employment obligations i.e.

- Defined benefit plans and
- Defined contribution plans.

Defined benefit plans:

The Company's net obligation in respect of defined benefit plans is calculated by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets. The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. Remeasurements are not reclassified to profit or loss in subsequent periods.

Notes forming part of the Financial Statements

(Rs. in Lacs)

Defined contribution plans:

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due.

16. Financial instruments

Initial Recognition

Financial instruments i.e. Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial instruments are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial instruments (other than financial instruments at fair value through profit or loss) are added to or deducted from the fair value of the financial instruments, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial instruments assets or financial liabilities at fair value through profit or loss are recognised in profit or loss.

Subsequent Measurement

Financial Assets

All recognised financial assets are subsequently measured at amortized cost except financial assets carried at fair value through Profit and loss (FVTPL) or fair value through other comprehensive income (FVOCI).

a) Equity investments (other than investments in subsidiaries, associates and joint venture)

All equity investments falling within the scope of Ind-AS 109 are mandatorily measured at Fair Value Through Profit and Loss (FVTPL) with all fair value changes recognized in the Statement of Profit and Loss.

The Company has an irrevocable option of designating certain equity instruments as FVOCI. Option of designating instruments as FVOCI is done on an instrument-by-instrument basis. The classification made on initial recognition is irrevocable.

If the Company decides to classify an equity instrument as FVOCI, then all fair value changes on the instrument are recognized in Statement of Other Comprehensive Income (SOI). Amounts from SOI are not subsequently transferred to profit and loss, even on sale of investment.

b) Derecognition

A financial asset is primarily derecognized when the rights to receive cash flows from the asset have expired, or the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement; and with that a) the Company has transferred substantially all the risks and rewards of the asset, or b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

c) Impairment of financial assets

The Company applies the expected credit loss model for recognising allowances for expected credit loss on financial assets measured at amortised cost.

Financial Liabilities

Classification

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Subsequent measurement

Loans and borrowings are subsequently measured at Amortised costs using Effective Interest Rate (EIR), except for financial liabilities at fair value through profit or loss. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. Amortisation is included as a part of Finance Costs in the Statement of Profit and Loss

Financial liabilities recognised at FVTPL, including derivatives, shall be subsequently measured at fair value.

a) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

Derivatives financial instruments

The Company uses derivative financial instruments, such as forward currency contracts to mitigate its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

Re-classification of financial instruments

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest. The Company has not reclassified any financial asset during the current year or previous year.
